

This Stipulation of Settlement ("Stipulation") dated May 7, 2019 is entered into by and through the Parties' respective undersigned counsel among and between: (i) plaintiffs Travis Dorvit and Michael Martin, individually and derivatively on behalf of nominal defendant Power Solutions International, Inc. ("PSI" or the "Company"); (ii) nominal defendant PSI; and (iii) defendants Shaojun Sun, Jiang Kui, Jason Lin, Leslie A. Coolidge, Frank P. Simpkins, Gary Winemaster, Kenneth Winemaster, Daniel P. Gorey, Jay Hansen, Ellen R. Hoffing, Kenneth Landini, Michael P. Lewis, and Mary E. Vogt (collectively, the "Individual Defendants," together with PSI, "Defendants") (collectively, the "Parties").¹ This Stipulation is intended by the Parties to fully, finally, and forever compromise, resolve, discharge, and settle the Released Claims against the Released Persons and dismiss the Action with prejudice, upon the terms and subject to the conditions set forth herein.

I. RELEVANT BACKGROUND OF THE ACTION AND SETTLEMENT NEGOTIATIONS

A. Procedural History of the Consolidated Action

Plaintiff Travis Dorvit filed this Action (the "*Dorvit* Action") on February 10, 2017 in the United States District Court for the Northern District of Illinois, asserting claims for breach of fiduciary duty against defendants Gary Winemaster, Kenneth Winemaster, Eric A. Cohen, Daniel P. Gorey, Jay Hansen, Ellen R. Hoffing, Kenneth Landini, Michael P. Lewis, and Mary E. Vogt and claims for unjust enrichment against certain defendants for the compensation they received based on PSI's overstated financial results. ECF No. 1. On April 3, 2018, another derivative action was filed in the United States District Court for the Northern District of Illinois, captioned, *Martin v. Winemaster, et al.*, Case No. 1:18-cv-02386 (the "*Martin* Action"). On June 28, 2018, the parties

¹ All capitalized terms are defined in Section IV.1. *infra*, unless otherwise noted.

to the *Dorvit* and *Martin* Actions jointly moved to consolidate the actions (the "Consolidated Action" or "Action") and this motion was granted on July 3, 2018. ECF No. 42. Plaintiffs filed the Verified Second Amended Stockholder Direct and Derivative Complaint (the "Second Amended Complaint") on July 17, 2018. ECF No. 48. The Second Amended Complaint also alleged claims for breach of fiduciary duty, unjust enrichment, waste of corporate assets, and for failure to hold an annual meeting of stockholders.

Prior to filing the *Dorvit* and *Martin* Actions, Plaintiffs' Counsel devoted significant efforts to investigate and assess the derivative claims, including, but not limited to: (i) inspecting, analyzing, and reviewing public information pertaining to the alleged wrongdoing, including PSI's public filings with the U.S. Securities and Exchange Commission ("SEC"), press releases, announcements, transcripts of investor conference calls, securities analysts' reports, advisories, media reports, and news articles; (ii) researching the applicable law with respect to the derivative claims to be asserted and the potential defenses thereto; (iii) conducting an analysis of the potential and actual damages resulting from the alleged wrongdoing; and (iv) drafting and filing their respective complaints.

On October 1, 2018, nominal defendant PSI and the Individual Defendants moved to dismiss the Second Amended Complaint pursuant to Rule 23.1 and Rule 12(b)(6) of the Federal Rules of Civil Procedure. ECF Nos. 65 and 69. Plaintiffs filed an omnibus opposition to the motions to dismiss on November 30, 2018, as well as a motion to strike certain exhibits in Defendants' motions to dismiss. ECF Nos. 73 and 74. Defendants filed reply briefs and a joint opposition to Plaintiffs' motion to strike on January 14, 2019. ECF Nos. 75, 78, and 79. The motions to dismiss have been fully briefed, but a hearing had not been scheduled and no decision

had been issued as of the time that the Parties notified the Court that they had reached an agreement-in-principle to resolve the Action. ECF No. 81.

B. The Securities Class Action

On August 22, 2016, a related securities class action was filed in this Court against the Company and several of its officers for alleged violations of sections 10(b) and 20(a) of the Securities Exchange Act of 1934, and Rule 10b-5 promulgated thereunder, captioned *Gupta v. Power Solutions International, Inc., et al.*, Case No. 1:16-cv-08253 (N.D. Ill.) ("Securities Class Action"). On October 7, 2016, another class action complaint captioned, *Stout v. Power Solutions, Inc., et al.*, Case No. 1:16-cv-09599 was filed with the Court. The two class actions were consolidated on January 19, 2017. Securities Class Action, ECF No. 40.

On January 22, 2019, the parties in the Securities Class Action entered into a Stipulation and Agreement of Settlement that provides for \$8.5 million payment to the settlement class. Securities Class Action, ECF No. 135-1. This settlement was preliminarily approved by the Court on January 24, 2019, and a final approval hearing for the settlement is scheduled for May 13, 2019. Securities Class Action, ECF No. 139.

C. The Litigation Demand

On August 16, 2018, PSI stockholder Bruce Fisher sent a stockholder litigation demand ("Litigation Demand") to PSI's Board demand that it take action to remedy alleged breaches of fiduciary duties and other alleged violations of law by certain current and former officers and directors of PSI. Over the next seven months, counsel for Mr. Fisher and the Company exchanged numerous letters regarding the Litigation Demand. Then on March 29, 2019, counsel for Mr. Fisher sent a letter to defense counsel outlining terms for the potential settlement for the benefit of PSI to resolve the potential derivative claims detailed in the Litigation Demand.

D. The Settlement of the Action and Mediation Efforts

After Plaintiffs sent a settlement demand to Defendants to explore whether Defendants were interested in attempting to settle this difficult and complex stockholder derivative matter efficiently and in the best interests of the Company, the Parties agreed to seek the aid of experienced mediator, Robert A. Meyer, Esq. of JAMS (the "Mediator"), to assist the Parties. On October 29, 2018, the parties to this Action participated in a mediation session in Chicago, but were unable to agree on a settlement at that time.

After the October 29, 2018 mediation, the Parties continued arm's-length settlement negotiations over the next several months. On January 8, 2019, Plaintiffs sent Defendants another settlement demand proposing monetary relief and corporate governance reforms designed to address Defendants' alleged breach of fiduciary duties and to improve the independence and rigor of the Board and committee oversight of core operations. Extensive settlement negotiations aimed at reaching a resolution of the derivative claims in the best interests of the Company soon followed. In support of these settlement discussions, Plaintiffs' Counsel spent significant efforts reviewing PSI's corporate governance structures and policies, researching corporate governance issues and best practices, and formulating proposed corporate governance reforms. Thereafter, negotiations continued and the Parties exchanged several additional written settlement proposals.

On April 9, 2019, the Parties participated in a second formal in-person mediation before the Mediator in Los Angeles. At the conclusion of the mediation, the Parties reached an agreement-in-principle to resolve the Action. Thereafter, the Parties memorialized the basic Settlement terms and executed a Binding Settlement Term Sheet on April 11, 2019 (the "Term Sheet").

The Parties are in agreement that a settlement on the terms and subject to the conditions set forth in this Stipulation is fair, adequate, and reasonable. The Parties agree that the Settlement

confers substantial benefits to PSI and its stockholders and that the Action and Litigation Demand were material factors in the substantial benefits achieved.

II. PLAINTIFFS' CLAIMS AND BENEFITS OF SETTLEMENT

Plaintiffs believe that the claims asserted in the Action have merit. However, Plaintiffs recognize and acknowledge the expense and length of continued proceedings necessary to prosecute the Action against the Individual Defendants through trial and through appeals. Plaintiffs have also taken into account the uncertain outcome and the risk of any litigation, especially in complex actions such as the Action, as well as the difficulties and delays inherent in such litigation. Plaintiffs are also mindful of the inherent problems of proof and possible defenses to the claims asserted in the Action. The Settlement set forth in this Stipulation confers substantial benefits upon PSI and its stockholders, and is in the best interests of PSI and its stockholders.

III. DEFENDANTS' DENIALS OF WRONGDOING AND LIABILITY

Each of the Defendants has expressly denied and continues to deny all of the claims and contentions alleged, or which could have been alleged, in the Action or similar such actions (including *Rebscher v. Winemaster, et al.*, Case No. 2017-CH-06517 (Illinois Circuit Court of Cook County, Chancery Division filed May 5, 2017) (consolidated with *McClenney v. Winemaster, et al.*, Case No. 2017-CH-06481 (Illinois Circuit Court of Cook County, Chancery Division filed May 5, 2017))), including that PSI has suffered damage by or as a result of the conduct alleged in the Action or similar such actions.

Nonetheless, in order to eliminate the burden, expense, and risks inherent in the litigation, Defendants have concluded that it is desirable that the Action be fully and finally settled in the manner and upon the terms and conditions set forth in this Settlement. Neither this Stipulation, nor the Settlement, nor the Term Sheet, nor any act performed or document executed pursuant to or in furtherance of this Stipulation or the Settlement, nor any negotiations, discussions, actions,

and proceedings in connection with the Stipulation: (a) is or may be deemed to be or may be offered, attempted to be offered, or used in any way by the Parties or any other person as a presumption, a concession, an admission, or evidence of any fault, wrongdoing, or liability of the Parties or of the validity of any Released Claims; or (b) is or may be deemed to be or may be used as a presumption, concession, admission, or evidence of any liability, fault, or omission of any of the Released Persons in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. Neither this Stipulation, nor the Settlement, nor the Term Sheet, nor any act performed or document executed pursuant to or in furtherance of this Stipulation or the Settlement, nor any negotiations, discussions, actions, and proceedings in connection with the Stipulation or Settlement, shall be admissible in any proceeding for any purpose, except to enforce the terms of the Settlement, and except that the Released Persons may file this Stipulation and/or the Judgment in any action that may be brought against them to support a defense or counterclaim, including those based on the principles of res judicata, collateral estoppel, full faith and credit, release, standing, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion.

4.3. Pending the Court's determination as to final approval of the Settlement, the Releasing Parties and their counsel are barred and enjoined from commencing, prosecuting, instigating, maintaining, investigating, or in any way participating in the commencement or prosecution of any action or proceeding asserting any Released Claim against any of the Released Persons or challenging the Settlement other than in this Action in accordance with the procedures established by the Court (the "Injunction"). The balance of the Settlement Fund will be used to pay the Company's defense costs as agreed to between the Company and Defendants' directors' and officers' liability insurance carriers but not to include any costs incurred in connection with the Action or any other stockholder derivative or class action or stockholder demand. Defendants agree not to object to a request by Plaintiffs' Counsel for a collective Fee and Expense Amount in an amount not to exceed \$937,500.

Neither Defendants nor their insurers shall have any obligation or liability with respect to the distribution and allocation of any attorneys' fees, expenses, or any incentive amount that is awarded by the Court, and any dispute among Plaintiffs' Counsel as to the proper allocation shall not in any way implicate Defendants, their counsel, or their insurers or increase the amount to be paid by or on behalf of Defendants, and Defendants and their insurers shall not be responsible for any fees or expenses incurred by Plaintiffs in connection with the determination of any such allocation.

5.3. Defendants shall cause their insurance carrier(s) to pay the Fee and Expense Amount to Plaintiffs' Counsel within ten (10) business days after the later to occur of: (i) the issuance of Judgment by the Court finally approving the Settlement, notwithstanding the existence of any timely filed objections to the Settlement or potential for appeal therefrom; and (ii) receipt by Defendants of a Form W-9 on behalf of Plaintiffs' Counsel and wire transfer instructions. Such payment shall be subject to the obligation of Plaintiffs' Counsel to make appropriate refunds or repayment of the principal amount received and any accrued interest thereon within ten (10) business days if, as a result of any further Order of the Court, appeal, further proceedings or remand, or successful collateral attack, the Settlement is not approved or is overturned on appeal. Moreover, if the Court's award of fees and expenses is vacated, reversed, or reduced on or as a

result of an appeal, Plaintiffs' Counsel shall, within ten (10) business days after such vacatur, reversal, or reduction, make a refund to the Defendants in cash by wire transfer(s) in the full amount received or such lesser amount as provided for by such vacatur, reversal, or reduction.

5.4. Neither Defendants nor their insurers shall have any obligation or liability with respect to attorneys' fees, costs, or expenses beyond the amount awarded by the Court in response to the application for the Fee and Expense Amount. Payment of the Fee and Expense Amount in the amount approved by this Court shall constitute full, complete, and final payment for all of Plaintiffs' Counsel's and Liaison Counsel's services in the Action, including fees and expenses that have been incurred or will be incurred in connection with the filing and prosecution of the Action and the resolution of the claims alleged therein.

5.5. Except as otherwise provided herein or except as provided pursuant to indemnification or insurance rights, each of the Parties shall bear his, her, or its own expenses and attorneys' fees.

5.6. The Parties further stipulate that Plaintiffs' Counsel may apply to the Court for an Incentive Amount of \$2,000 for each of the Plaintiffs, only to be paid upon Court approval, in recognition of Plaintiffs' participation and efforts in the prosecution and Settlement of the Action. The failure of the Court to approve any requested Incentive Amount, in whole or in part, shall have no effect on the Settlement set forth in this Stipulation. The Incentive Amount, if approved by the Court, shall be paid to Plaintiffs from the Fee and Expense Amount. The Released Persons and each of them shall not be liable for any portion of any Incentive Amount.

6. Conditions of Settlement, Effect of Disapproval, Cancellation, or Termination

6.1. This Settlement and the consideration therefor are given by the Defendants in return for, and are contingent upon, a full and complete release of all Released Claims against all Released Persons, which release no longer may be challenged by Plaintiffs, any PSI stockholder, or by PSI.

6.2. The Effective Date is conditioned on the occurrence of all of the following events, and is the first date by which all of the following events and conditions have been met and have occurred:

(a) approval of the Settlement, and each of its terms, by Defendants, which Defendants' counsel represents has already been accomplished;

(b) Court approval of the method and form of providing the Notice and Summary Notice, attached hereto as **Exhibits B and C**, respectively, to PSI stockholders and entry by the Court of the Preliminary Approval Order that does not deviate materially from the form attached hereto as **Exhibit A**;

(c) final approval of the Settlement by the Court following notice to PSI stockholders;

(d) entry by the Court of the Judgment that does not deviate materially from the form attached hereto as **Exhibit D**, approving the Settlement; and

(e) the passing of the date upon which the Judgment becomes Final.

6.3. If any of the conditions specified in paragraph 6.2 are not met, then this Stipulation shall be canceled and terminated subject to paragraph 6.4, unless the Parties mutually agree in writing to proceed with this Stipulation; provided, however that the Court's failure to approve the Fee and Expense Amount or the Incentive Amount shall not be grounds for termination or cancellation of the Settlement.

6.4. If for any reason the Effective Date of this Stipulation does not occur, or if this Stipulation is in any way canceled, terminated, or fails to become final in accordance with its terms: (i) all Parties and Released Persons shall be restored to their respective positions in the Action as of April 8, 2019; (ii) all releases delivered in connection with this Stipulation shall be

null and void, except as provided for in this Stipulation; (iii) the Fee and Expense Amount paid to Plaintiffs' Counsel and any and all interest accrued thereon since payment, shall be returned to Defendants' insurer(s) pursuant to Section 5.3 of this Stipulation; and (iv) all negotiations, proceedings, documents prepared, and statements made in connection herewith shall be without prejudice to the Parties, shall not be deemed or construed to be an admission by a Party of any act, matter, or proposition, and shall not be used in any manner for any purpose in any subsequent proceeding in any other action or proceeding. In such event, and except as otherwise indicated in this Stipulation, the terms and provisions of this Stipulation shall have no further force and effect with respect to the Parties and shall not be used in the Action or in any other proceeding for any purpose.

7. Additional Provisions

7.1. The Parties: (i) acknowledge that it is their intent to consummate this Stipulation and Settlement; and (ii) agree to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Stipulation and the Settlement and to exercise their reasonable best efforts to accomplish the foregoing terms and conditions of this Stipulation and the Settlement.

7.2. The Parties intend this Settlement to be a final and complete resolution of all disputes between Plaintiffs, Individual Defendants, and PSI with respect to the Action. The Settlement compromises claims that are contested and shall not be deemed an admission by any Party as to the merits of any claim, allegation, or defense. The Parties further agree that the claims are being settled voluntarily after consultation with competent legal counsel and the Mediator.

7.3. Nothing herein shall expand the liabilities of any PSI director or officer beyond any liabilities otherwise imposed by law.

7.4. The Parties agree that if any disputes arise out of the finalization of the settlement documents or the implementation and enforcement of the terms of this Settlement itself, the Parties will first attempt to resolve those issues by way of expedited telephonic mediation in front of Robert A. Meyer, Esq.

7.5. Plaintiffs shall in good faith attempt to secure the approval of stockholders Sarah Rebscher, Gary McFadden, and Bruce Fisher of this Stipulation; however, the failure to secure the approval of any or all of the aforementioned stockholders shall not relieve the Parties to this Stipulation from their respective obligations thereunder.

7.6. The Parties agree that, other than disclosures required by law or the Court, any public comments from the Parties or any of their representatives regarding this Settlement will not substantially deviate from words to the effect that the Parties have reached a mutually acceptable resolution that will avoid protracted and expensive litigation, that the Parties are satisfied with the resolution, and that the Settlement is in the best interests of the Company and its stockholders. None of the Parties shall make any public statement regarding the terms of this Stipulation, or the Settlement contained herein, that is critical of or disparages the Settlement or the conduct of the Parties.

7.7. The fact of and provisions contained in this Stipulation (including any exhibits attached hereto) and the Term Sheet, and all negotiations, discussions, actions, and proceedings in connection with this Stipulation and the Term Sheet shall not be deemed or constitute a presumption, concession, or an admission by any Defendant or any other Released Party of any fault, liability, or wrongdoing whatsoever as to any facts or claims alleged or asserted in the Action, and shall not be invoked, offered, or received in evidence or otherwise used by any person in the Action, or any other action or proceeding whether civil, criminal, or administration, except in

connection with any proceeding to proceed with or enforce the terms of this Stipulation. If the Settlement is not approved, or does not proceed to fruition for any other reason whatsoever, the Parties shall revert to their respective positions as if the Term Sheet and the Settlement never existed; provided, however, that in the event of a termination of the Term Sheet or the Stipulation or other failure of the Settlement contemplated by this Stipulation, this paragraph and any similar provisions of the Stipulation or Term Sheet shall survive such termination or other failure of the Settlement. Nothing in this Section, however, shall prevent the Released Persons from filing this Stipulation and/or the Judgment in any action that may be brought against them in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, full faith and credit, release, standing, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim, and any of the Parties may file this Stipulation and documents executed pursuant and in furtherance thereto in any action to enforce the Settlement.

7.8. The Exhibits to this Stipulation are material and integral parts hereof and are fully incorporated herein by this reference.

7.9. This Stipulation may be amended or modified only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest.

7.10. This Stipulation and the Exhibits attached hereto constitute the entire agreement among the Parties and no representations, warranties, or inducements have been made to any Party concerning this Stipulation or any of its Exhibits other than the representations, warranties, and covenants contained and memorialized in such documents. Except as specifically provided herein, each Party shall bear its own costs.

7.11. Each counsel or other Person executing this Stipulation and/or the Exhibits attached hereto on behalf of any Party hereby warrants that such Person has the full authority to do so.

7.12. This Stipulation may be executed in one or more counterparts. A faxed signature or electronically scanned (in .pdf format) signature shall be deemed an original signature for the purposes of this Stipulation. All executed counterparts and each of them shall be deemed to be one and the same instrument. A complete set of counterparts, either originally executed or copies thereof, shall be filed with the Court.

7.13. This Stipulation and the Settlement shall be binding upon, and inure to the benefit of, the successors and assigns of the Parties and the Released Persons.

7.14. The waiver by any Party of any breach of this Stipulation shall not be deemed or construed as a waiver of any other breach, whether prior or subsequent to, or contemporaneous with, the execution of this Stipulation.

7.15. Without affecting the finality of the Judgment entered in accordance with this Stipulation, the Court shall retain jurisdiction with respect to implementation and enforcement of the terms of this Stipulation and the Settlement, and the Parties submit to the jurisdiction of the Court for purposes of implementing and enforcing this Stipulation and the Settlement.

7.16. This Stipulation shall not be construed more strictly against any settling Party than another merely by virtue of the fact that it, or any part of it, may have been prepared by counsel for one of the Parties, it being recognized that this Stipulation is the result of an arm's-length negotiations and this Stipulation shall be deemed drafted equally by all Parties.

7.17. This Stipulation and the Settlement contemplated by it shall be governed by, and construed in accordance with, the laws of the State of Illinois, without regard to Illinois' conflict of law rules.

7.18. No representations, warranties, or inducements have been made to any of the Parties concerning this Stipulation or its exhibits other than the representations, warranties, and covenants contained and memorialized in such documents.

7.19. The Parties hereby represent and warrant that they have not assigned any rights, claims, or causes of action that were asserted or could have been asserted in connection with, under, or arising out of the Released Claims.

7.20. The headings used in this Stipulation are used for the purpose of convenience only and are not meant to have legal effect.

7.21. In the event that there exists a conflict or inconsistency between the terms of this Stipulation and the terms of any exhibit hereto, the terms of this Stipulation shall prevail.

7.22. All agreements made and orders entered during the course of the Action relating to the confidentiality of information shall survive this Stipulation.

7.23. Without further order of the Court, the Parties may agree to reasonable extensions of time to carry out any of the provisions of this Stipulation.

IN WITNESS WHEREOF, the Parties hereto have caused this Stipulation to be executed, by their duly authorized attorneys, dated this 7th day of May, 2019.

EXHIBIT A

WHEREAS, the above-captioned stockholder derivative action is pending before the Court (the "Action");

WHEREAS, plaintiffs Travis Dorvit and Michael Martin, and stockholder Bruce Fisher ("Plaintiffs") having moved, pursuant to Rule 23.1 of the Federal Rules of Civil Procedure, for an order: (i) preliminarily approving the proposed settlement of the Consolidated Action in accordance with the Stipulation of Settlement, dated May 10, 2019 (the "Stipulation" or "Settlement"), which, together with the Exhibits annexed thereto, set forth the terms and conditions for a proposed Settlement and dismissal of the Consolidated Action with prejudice; and (ii) approving the dissemination of the Notice of Pendency and Proposed Settlement of Stockholder Action (the "Notice") and Summary Notice of Pendency and Proposed Settlement of Stockholder Action (the "Summary Notice");

WHEREAS, all capitalized terms contained herein shall have the same meaning as set forth in the Stipulation (in addition to those capitalized terms defined herein); and

WHEREAS, this Court, having considered the Stipulation and the Exhibits annexed thereto and having heard the arguments of the Parties at the preliminary approval hearing;

NOW, THEREFORE, IT IS HEREBY ORDERED:

1. This Court hereby preliminarily approves, subject to further consideration at the Settlement Hearing described below, the Stipulation and the Settlement set forth therein, including the terms and conditions for settlement and dismissal with prejudice of the Action.

2. A hearing (the "Settlement Hearing") shall be held before this Court on _____, 2019, at ____: __.m., in Courtroom 1441 at the Everett McKinley Dirksen United States Courthouse, 219 South Dearborn Street Chicago, IL 60604, to determine whether the Settlement of the Action on the terms and conditions provided for in the Stipulation is fair,

reasonable and adequate to Power Solutions International, Inc. ("PSI") and its stockholders and should be approved by the Court; whether the [Proposed] Final Order and Judgment should be entered herein; and whether to award attorneys' fees and expenses to Plaintiffs' Counsel, including any Incentive Amount.

3. The Court approves, as to form and content, the Notice annexed as Exhibit B hereto and the Summary Notice annexed as Exhibit C hereto and finds that the publication of the Notice, Summary Notice, and Stipulation, substantially in the manner and form set forth in this Order, meets the requirements of Rule 23.1 of the Federal Rules of Civil Procedure and due process, is the best notice practicable under the circumstances, and shall constitute due and sufficient notice to all Persons entitled thereto.

4. Not later than ten (10) business days following entry of this Order, PSI shall publish the Summary Notice once in *Investor's Business Daily*, and shall post the Stipulation and Notice on PSI's website, such that visitors to the "Investors" section of the website will readily find a hyperlink to this Stipulation and the Notice. In addition, in all periodic filings with the SEC after issuance of this Order Directing Notice of Proposed Settlement to Stockholders ("Preliminary Approval Order"), PSI shall include a statement that the Action has settled and received preliminary approval, and shall direct stockholders to PSI's Investor Relations webpage for additional information. Within the above described period, Plaintiffs' Counsel shall further publish the Stipulation of Settlement and Notice on its website in a manner readily accessible to the public.

5. All costs incurred in the filing, publishing and posting of the Notice and Summary Notice shall be paid by PSI or its insurers and PSI shall undertake all administrative responsibility for such filing, publication and posting.

6. No later than ten (10) calendar days prior to the Settlement Hearing, Defendants and Plaintiffs shall file with the Court an appropriate affidavit or declaration with respect to filing and posting the Notice and Summary Notice.

7. The Court reserves: (i) the right to approve the Settlement, with such modifications as may be agreed to by counsel for the Parties consistent with the Settlement, without further notice to PSI stockholders; and (ii) the right to continue or adjourn the Settlement Hearing from time to time, by oral announcement at the hearing or at any adjournment thereof, without further notice to PSI stockholders.

8. Not later than twenty-one (21) calendar days prior to the Settlement Hearing, the Plaintiffs shall file papers with the Court in support of the Settlement and separately negotiated Fee and Expense Amount, including the Incentive Amount.

9. Any PSI stockholder may appear and show cause, at their own expense, individually or through counsel, if he, she, or it has any reason why the Settlement embodied in the Stipulation should or should not be entered hereon, or the Fee and Expense Amount (including any Incentive Amount) should not be awarded. However, no PSI stockholder shall be heard or entitled to contest the approval of the proposed Settlement, or, if approved, the Judgment to be entered hereon, unless that PSI stockholder has (1) filed with the Clerk of the Court or served on counsel as noted below, a written objection setting forth: (i) a written notice of objection with the person's name, address, and telephone number, along with a representation as to whether such person intends to appear at the Settlement Hearing; (ii) competent evidence that such person currently holds shares of PSI common stock; (iii) a statement of objections to any matters before the Court, the grounds therefor, or the reasons for such person desiring to appear and be heard, as well as all documents or writings such person desires the Court to

consider; and (iv) the identities of any witnesses such person plans on calling at the Settlement Hearing, along with a summary description of their likely testimony; and, (2) if a PSI stockholder intends to and requests to be heard at the Settlement Hearing, such stockholder must have, in addition to the requirements of (1) above, filed with the Clerk of the Court or served on counsel listed below: (a) a written notice of such stockholder's intention to appear at the Settlement Hearing; (b) a statement that indicates the reason(s) for such objection; (c) the identities of any witnesses the stockholder intends to call at the Settlement Hearing and a statement as to the subjects of their testimony; and (d) any and all evidence that would be presented at the Settlement Hearing.

10. At least fourteen (14) calendar days prior to the Settlement Hearing, any such person must either file the written objection(s) and corresponding materials, and a notice of intent to appear if any Current PSI Stockholder intends to appear and requests to be heard at the Settlement Hearing, with the Clerk of the Everett McKinley Dirksen United States Courthouse, 219 South Dearborn Street, Chicago, IL 60604, or serve such materials by that date, to Plaintiffs' counsel:

Stephen J. Oddo
ROBBINS ARROYO LLP
5040 Shoreham Place
San Diego, CA 92122

11. Only PSI stockholders who have filed with the Court or sent to the Plaintiffs' counsel valid and timely written notices of objection will be entitled to be heard at the hearing, unless the Court orders otherwise.

12. Any PSI stockholder who does not make an objection in the manner provided herein may be deemed to have waived any such objection and may be forever foreclosed from

making any objection to the fairness, reasonableness or adequacy of the Settlement, unless otherwise ordered by the Court, but shall be otherwise bound by the Judgment to be entered and the releases to be given.

13. Plaintiffs' Counsel and Defendants' counsel are directed to promptly furnish each other with copies of any and all objections that are served upon them or otherwise come into their possession and to file them with the Court.

14. Not later than seven (7) calendar days prior to the Settlement Hearing the Parties' responses to objections, if any, shall be served and filed.

15. All proceedings in the Action are stayed until further order of the Court, except as may be necessary to implement the Settlement or comply with the terms of the Stipulation.

16. Pending final determination of whether the Settlement should be approved, no PSI stockholder, either directly, representatively, or in any other capacity, shall commence or prosecute against any of the Released Persons any action or proceeding in any court or tribunal asserting any of the Released Claims.

17. The Court reserves the right to adjourn the date of the Settlement Hearing or modify any other dates set forth herein without further notice to PSI securities holders, and retains exclusive jurisdiction to consider all further applications arising out of or connected with the Settlement. The Court may approve the Settlement, with such modifications as may be agreed to by the Parties, if appropriate, without further notice to PSI securities holders.

18. Neither the Stipulation, nor the Settlement, nor the Term Sheet, nor any act performed or document executed pursuant to or in furtherance of the Stipulation or the Settlement or the Term Sheet: (i) is or may be deemed to be or may be offered, attempted to be offered or used in any way by the Parties or any other person as a presumption, a concession or

an admission of, or evidence of, any fault, wrongdoing, or liability of the Parties or Released Persons, or of the validity of any Released Claims; nor (ii) shall be admissible, offered or received as evidence or used by any other person in any other actions or proceedings, whether civil, criminal, or administrative, except that the Released Persons may file the Stipulation and the Final Judgment, if any, in any action that may be brought against them to support a defense or counterclaim based on principles of res judicata, collateral estoppel, full faith and credit, release, standing, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

PLEASE READ THIS NOTICE CAREFULLY AND IN ITS ENTIRETY. YOUR RIGHTS MAY BE AFFECTED BY LEGAL PROCEEDINGS IN THIS ACTION. THIS NOTICE RELATES TO A PROPOSED SETTLEMENT AND DISMISSAL OF STOCKHOLDER DERIVATIVE LITIGATION AND CONTAINS IMPORTANT INFORMATION REGARDING YOUR RIGHTS.

IF THE COURT APPROVES THE SETTLEMENT AND DISMISSAL OF THE ACTION, CURRENT STOCKHOLDERS OF PSI WILL BE FOREVER BARRED FROM CONTESTING THE APPROVAL OF THE PROPOSED SETTLEMENT AND FROM PURSUING THE RELEASED CLAIMS. THIS ACTION IS NOT A "CLASS ACTION." THUS, THERE IS NO COMMON FUND UPON WHICH YOU CAN MAKE A CLAIM FOR A MONETARY PAYMENT.

YOU ARE HEREBY NOTIFIED, pursuant to an Order from the Honorable Thomas M. Durkin, of the United States District Court for the Northern District of Illinois, Everett McKinley Dirksen United States Courthouse, 219 South Dearborn Street Chicago, IL 60604 (the "Court"), that a proposed settlement agreement has been reached among (i) Plaintiffs,¹ on behalf of themselves and derivatively on behalf of PSI; (ii) nominal defendant PSI; and (iii) and defendants Shaojun Sun, Jiang Kui, Jason Lin, Leslie A. Coolidge, Frank P. Simpkins, Gary

¹ For purposes of this Notice, the Court incorporates by reference the definitions in the Parties' Stipulation of Settlement, fully executed as of May 10, 2019 (the "Stipulation"), and all capitalized terms used herein, unless otherwise defined, shall have the same meanings as set forth in the Stipulation.

Winemaster, Kenneth Winemaster, Daniel P. Gorey, Jay Hansen, Ellen R. Hoffing, Kenneth Landini, Michael P. Lewis, and Mary E. Vogt (collectively, the "Individual Defendants") in connection with the above-captioned stockholder derivative action (the "Action").

Plaintiffs filed the Action derivatively on behalf of PSI to remedy the alleged harm caused to the Company by the Individual Defendants' alleged breaches of their fiduciary duties and other alleged misconduct. Specifically, Plaintiffs alleged that the Individual Defendants breached their fiduciary duties to the Company, committed corporate waste and unjustly enriched themselves at the Company's expense in connection with their alleged failure to institute and maintain sufficient internal controls, which led to the Company having to restate its financials for several reporting periods. The proposed Settlement, which provides for the payment of \$1.875 million to the Company from the Individual Defendants' insurance and a number of corporate governance reforms, if approved by the Court, would fully, finally and forever resolve the Action on the terms set forth in the Stipulation of Settlement ("Stipulation") and summarized in this Notice, including the dismissal of the Action with prejudice.

As explained below, a Settlement Hearing will be held before the Court on _____, 2019, at _____ m., before the Honorable Thomas M. Durkin, of the United States District Court for the Northern District of Illinois, Everett McKinley Dirksen United States Courthouse, 219 South Dearborn Street Chicago, IL 60604, to determine (i) whether the terms and conditions of the Settlement set forth in the Stipulation are fair, reasonable, and adequate to PSI and Current PSI Stockholders² and should be approved by the

² Current PSI Stockholders is defined to mean any Persons who owns PSI common stock as of the date upon which the Judgment approving the Settlement becomes Final, excluding the Individual Defendants, the current officers and directors of PSI, members of their immediate

Court; (ii) whether the [Proposed] Final Judgment and Order approving the Settlement, substantially in the form of Exhibit D attached to the Stipulation, should be entered, dismissing the Action with prejudice and releasing and enjoining the prosecution of any and all Released Claims; and (iii) whether Plaintiffs' Counsel's Fee and Expense Amount, including any Incentive Amount, should be approved. At the Settlement Hearing, the Court may also hear or consider such other matters as the Court may deem necessary and appropriate.

You have the right to object to the Settlement and the Fee and Expense Amount in the manner provided herein. If you fail to object in the manner provided herein *at least fourteen (14) days prior to the Settlement Hearing*, you may be deemed to have waived your objections and may forever be foreclosed from making any objection to the fairness, reasonableness, or adequacy of the Settlement or the Fee and Expense Amount, including any Incentive Amount, as set forth in the Stipulation, unless otherwise ordered by the Court, but will be forever bound by the Final Order and Judgment to be entered, the dismissal of the Action with prejudice, and any and all of the releases set forth in the Stipulation.

This Notice is not intended to be and should not be construed as an expression of any opinion by the Court with respect to the merits of the claims made in the Action; this Notice is merely to advise you of the proposed Settlement and of your rights as a Current PSI Stockholder.

I. BACKGROUND

A. Procedural History of the Consolidated Action

Plaintiff Travis Dorvit filed this Action (the "*Dorvit* Action") on February 10, 2017 in the United States District Court for the Northern District of Illinois, asserting claims for breach of

families, their legal representatives, heirs, successors, or assigns, and any entity in which Individual Defendants have or had a controlling interest.

fiduciary duty against defendants Gary Winemaster, Kenneth Winemaster, Eric A. Cohen, Daniel P. Gorey, Jay Hansen, Ellen R. Hoffing, Kenneth Landini, Michael P. Lewis, and Mary E. Vogt, and claims for unjust enrichment against certain defendants for the compensation they received based on PSI's overstated financial results. On April 3, 2018, another derivative action was filed in the United States District Court for the Northern District of Illinois, captioned, *Martin v. Winemaster, et al.*, Case No. 1:18-cv-02386 (the "*Martin* Action"). On June 28, 2018, the parties to the *Dorvit* and *Martin* Actions jointly moved to consolidate the actions (the "Consolidated Action" or "Action") and this motion was granted on July 3, 2018. Plaintiffs filed the Verified Second Amended Stockholder Direct and Derivative Complaint (the "Second Amended Complaint") on July 17, 2018. The Second Amended Complaint alleged claims for breach of fiduciary duty, unjust enrichment, corporate waste, and failure to hold an annual stockholders meeting under Delaware law.

Prior to filing the *Dorvit* and *Martin* Actions, Plaintiffs' Counsel devoted significant efforts to investigate and assess the derivative claims, including, but not limited to: (i) inspecting, analyzing, and reviewing public information pertaining to the alleged wrongdoing, including PSI's public filings with the SEC, press releases, announcements, transcripts of investor conference calls, securities analysts' reports, advisories, media reports, and news articles; (ii) researching the applicable law with respect to the derivative claims to be asserted and the potential defenses thereto; (iii) conducting an analysis of the potential and actual damages resulting from the alleged wrongdoing; and (iv) drafting and filing their respective complaints.

On October 1, 2018, nominal defendant PSI and the Individual Defendants moved to dismiss the Second Amended Complaint pursuant to Rule 23.1 and Rule 12(b)(6) of the Federal Rules of Civil Procedure. Plaintiffs filed an omibus opposition to the motions to dismiss on

November 30, 2018, as well as a motion to strike certain exhibits in Defendants' motion to dismiss. Defendants filed reply briefs and a joint opposition to Plaintiffs' motion to strike on January 14, 2019. The motions to dismiss have been fully briefed, but a hearing had not been scheduled and no decision had been issued as of the time that the parties notified the Court that they had reached an agreement-in-principle to resolve the Action.

B. The Settlement of the Action and Mediation Efforts

After Plaintiffs sent a settlement demand to Defendants to explore whether Defendants were interested in attempting to settle this difficult and complex stockholder derivative matter efficiently and in the best interests of the Company, the Parties agreed to seek the aid of experienced mediator Robert A. Meyer, Esq. of JAMS (the "Mediator") to assist the Parties. On October 29, 2018, the parties to this Action participated in a mediation session in Chicago, but were unable to agree on a settlement at that time.

After the October 29, 2018 mediation, the Parties continued arm's-length settlement negotiations over the next several months. On January 8, 2019, Plaintiffs sent Defendants another settlement demand proposing monetary relief and corporate governance reforms designed to address Defendants' alleged breach of fiduciary duties and to improve the independence and rigor of the Board and committee oversight of core operations. Extensive settlement negotiations aimed at reaching a resolution of the derivative claims in the best interests of the Company soon followed. In support of these settlement discussions, Plaintiffs' Counsel spent significant efforts reviewing PSI's corporate governance structures and policies, researching corporate governance issues and best practices, and formulating proposed corporate governance reforms. Thereafter, negotiations continued and the Parties exchanged several additional written settlement proposals.

On April 9, 2019, the Parties participated in a second formal in-person mediation before the Mediator in Los Angeles. At the conclusion of the mediation, the Parties reached an agreement-in-principle to resolve the Action. Thereafter, the Parties memorialized the basic Settlement terms and executed a Binding Settlement Term Sheet on April 11, 2019 (the "Term Sheet"). The Parties executed the Stipulation on May 10, 2019.

The Parties are in agreement that a settlement on the terms and subject to the conditions set forth in this Stipulation is fair, adequate, and reasonable. The Parties agree that the Settlement confers substantial benefits to PSI and its stockholders and that the Action was a material factor in the substantial benefits achieved.

II. PLAINTIFFS' COUNSEL'S INVESTIGATION AND RESEARCH, PLAINTIFFS' CLAIMS, AND THE BENEFITS OF SETTLEMENT

Plaintiffs believe that the claims asserted in the Action have merit. However, Plaintiffs recognize and acknowledge the expense and length of continued proceedings necessary to prosecute the Action against the Individual Defendants through trial and through appeals. Plaintiffs have also taken into account the uncertain outcome and the risk of any litigation, especially in complex actions such as the Action, as well as the difficulties and delays inherent in such litigation. Plaintiffs are also mindful of the inherent problems of proof and possible defenses to the claims asserted in the Action. The Settlement set forth in this Stipulation confers substantial benefits upon PSI and its stockholders, and is in the best interests of PSI and its stockholders.

III. DEFENDANTS' DENIALS OF WRONGDOING AND LIABILITY

Each of the Defendants has expressly denied and continues to deny all of the claims and contentions alleged, or which could have been alleged, in the Action or similar such actions,

including that PSI has suffered damage by or as a result of the conduct alleged in the Action or similar such actions.

Nonetheless, in order to eliminate the burden, expense, and risks inherent in the litigation, Defendants have concluded that it is desirable that the Action be fully and finally settled in the manner and upon the terms and conditions set forth in this Settlement. Neither this Stipulation, nor the Settlement, nor the Term Sheet, nor any act performed or document executed pursuant to or in furtherance of this Stipulation or the Settlement: (a) is or may be deemed to be or may be offered, attempted to be offered, or used in any way by the Parties or any other person as a presumption, a concession, an admission, or evidence of any fault, wrongdoing, or liability of the Parties or of the validity of any Released Claims; or (b) is or may be deemed to be or may be used as a presumption, concession, admission, or evidence of any liability, fault, or omission of any of the Released Persons in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. Neither this Stipulation, nor the Settlement, nor the Term Sheet, nor any act performed or document executed pursuant to or in furtherance of this Stipulation, the Settlement, or the Term Sheet, shall be admissible in any proceeding for any purpose, except to enforce the terms of the Settlement, and except that the Released Persons may file this Stipulation and/or the Judgment in any action that may be brought against them to support a defense or counterclaim based on the principles of *res judicata*, collateral estoppel, full faith and credit, release, standing, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion.

IV. THE SETTLEMENT HEARING

1. A hearing (the "Settlement Hearing") shall be held before this Court on _____, 2019, at ___: __.m., at Honorable Thomas M. Durkin in Courtroom 1441 at the Everett McKinley Dirksen United States Courthouse, 219 South Dearborn Street Chicago, IL

60604, to determine whether the Settlement of the Action on the terms and conditions provided for in the Stipulation is fair, reasonable and adequate to PSI and its securities holders and should be approved by the Court; whether the [Proposed] Final Order and Judgment should be entered herein; and whether to award attorneys' fees and expenses to Plaintiffs' Counsel, including any Incentive Award.

2. At the Settlement Hearing, the Court may hear or consider such other matters as the Court may deem necessary and appropriate. The Court may adjourn the date of the Settlement Hearing without further notice to Current PSI Stockholders, and the Settlement Hearing may be continued by the Court at the Settlement Hearing, or at any adjourned session thereof, without further notice.

V. THE SETTLEMENT

The terms and conditions of the proposed Settlement are set forth fully in the Stipulation referenced above. As a part of the proposed Settlement, Defendants shall cause to be paid \$1,875,000 to a settlement fund (the "Settlement Fund"). In addition, PSI has agreed that within thirty (30) days of the issuance of an order approving the settlement of the Action, PSI will adopt certain corporate governance reforms ("Reforms"), which PSI shall maintain for a period of not less than four (4) years or until the Company ceases to become a public company. The Parties agree that the initiation, prosecution, and settlement of the Action were material factors in the Reforms. The Parties further agree that the Reforms confer a substantial benefit to PSI as part of the Settlement of the Action. As set forth in Section VII, Plaintiffs' Counsel will ask the Court at the Settlement Hearing for an award of attorneys' fees and expenses of \$937,500 to be paid out of the Settlement Fund (the "Fee and Expense Amount") in recognition of their efforts in litigating this matter, negotiating the settlement, and achieving the monetary benefit and corporate governance reforms that constitute the Settlement. As a result, if the Court approves

Plaintiffs' Counsel's Fee and Expense Amount, \$937,500 of the Settlement Fund will ultimately be returned to the Company.

VI. DISMISSAL AND RELEASES

In connection with the Court's approval of the Settlement, the Parties will jointly request entry of the [Proposed] Final Order and Judgment by the Court, dismissing with prejudice all claims that Plaintiffs have alleged in the Action and any other Released Claims. Upon the Effective Date, the Releasing Parties shall be deemed to have fully, finally, and forever released, relinquished, and discharged the Released Claims (including Unknown Claims) against the Released Persons and any and all claims arising out of, relating to, or in connection with the defense, settlement, or resolution of the Action against the Released Persons. Upon the Effective Date, each of the Defendants shall be deemed to have fully, finally, and forever released, relinquished, and discharged Plaintiffs and Plaintiffs' Counsel from all claims (including Unknown Claims), arising out of, relating to, or in connection with the institution, prosecution, assertion, settlement, or resolution of the Action or the Released Claims. Nothing herein shall in any way impair or restrict the rights of any Settling Party to enforce the terms of this Stipulation.

VII. ATTORNEYS' FEES AND EXPENSES

After negotiation of the principal terms of the settlement, Plaintiffs' Counsel and Defendants separately negotiated at arm's-length the amount of attorneys' fees and expenses for Plaintiffs' Counsel. In connection with a motion for final approval of the Settlement, Plaintiffs' Counsel will request the Fee and Expense Amount of \$937,500 to be paid out of the Settlement Fund, which will result in \$937,500 being returned to the Company. Additionally, Plaintiffs' Counsel may also apply on behalf of Plaintiffs for an incentive award in the amount of \$2,000 (the "Incentive Amount") in recognition of the Plaintiffs' participation and efforts in the prosecution of the Action. The Incentive Amount shall be funded from the Fee and Expense

Amount, as approved by the Court. Neither PSI, the Individual Defendants, nor Defendants' insurer(s) shall be liable for any portion of any Incentive Amount.

VIII. THE RIGHT TO OBJECT AND/OR BE HEARD AT THE SETTLEMENT HEARING

Any Current PSI Stockholder may object and/or appear and show cause, if he, she, or it has any concern, why the Settlement should not be approved as fair, reasonable, and adequate, why the Final Order and Judgment should not be entered thereon, or why the Fee and Expense Amount, including any Incentive Amount, should not be finally approved; provided, however, unless otherwise ordered by the Court, that no Current PSI Stockholder may be heard or entitled to contest the approval of the terms and conditions of the Settlement, or, if approved, the Final Order and Judgment to be entered approving the Settlement, or the Fee and Expense Amount, unless that stockholder has, *at least fourteen (14) days prior to the Settlement Hearing*: (1) filed with the Clerk of the Court or served on Plaintiffs' counsel listed below a written objection to the Settlement setting forth: (a) the nature of the objection; (b) proof of current ownership of PSI common stock, including the number of shares of PSI common stock and the date of purchase; and (c) any and all documentation or evidence in support of such objection; and (2) if a Current PSI Stockholder intends to appear and requests to be heard at the Settlement Hearing, such stockholder must have, in addition to the requirements of (1) above, filed with the Clerk of the Court or served on Plaintiffs' counsel listed below: (a) a written notice of such stockholder's intention to appear at the Settlement Hearing; (b) a statement that indicates the reason(s) for such objection; (c) the identities of any witnesses the stockholder intends to call at the Settlement Hearing and a statement as to the subjects of their testimony; and (d) any and all evidence that would be presented at the Settlement Hearing. A Current PSI Stockholder wishing to object and/or appear, must serve copies of such notice, proof, statement, and documentation, together

with copies of any other papers or briefs (either by hand delivery or by first class mail) either with the Clerk of the Everett McKinley Dirksen United States Courthouse, 219 South Dearborn Street, Chicago, IL 60604, or upon Plaintiffs' counsel:

Plaintiffs' Counsel and Defendants' counsel shall promptly furnish each other with copies of any and all objections that are served upon them or otherwise come into their possession and file them with the Court.

Any Current PSI Stockholder who does not make his, her, or its objection in the manner provided herein may be deemed to have waived such objection and shall forever be foreclosed from making any objection to the fairness, reasonableness, or adequacy of the Settlement or the Fee and Expense Amount, including any Incentive Amount, as set forth in the Stipulation, unless otherwise ordered by the Court, but shall be forever bound by the Final Order and Judgment to be entered, the dismissal of the Action with prejudice, and any and all of the releases set forth in the Stipulation.

IX. CONDITIONS FOR SETTLEMENT

The Settlement is conditioned upon the occurrence of certain events described in the Stipulation, which requires, among other things: (a) the dismissal with prejudice of the Action without the award of any damages, costs, fees, or the grant of any further relief, except as provided in the Stipulation; (b) the entry by the Court of a Final Order and Judgment that provides for the dismissal with prejudice of the Action and granting the release of the Released

Claims; and (c) the Settlement becoming Final. If, for any reason, any one of the conditions described in the Stipulation is not met and/or the entry of the Final Order and Judgment does not occur, the Stipulation shall be null and void and of no force and effect and the Parties to the Stipulation will be restored to their respective positions in the Action as of the date immediately preceding the date of the Stipulation.

Case No. 1:17-cv-01097

Honorable Thomas M. Durkin

**SUMMARY NOTICE OF PENDENCY AND PROPOSED SETTLEMENT
OF STOCKHOLDER ACTION**

TO: ALL RECORD AND BENEFICIAL OWNERS OF POWER SOLUTIONS INTERNATIONAL, INC. ("PSI") COMMON STOCK, EXCLUDING THE INDIVIDUAL DEFENDANTS, THE OFFICERS AND DIRECTORS OF PSI, MEMBERS OF THEIR IMMEDIATE FAMILIES, AND ANY ENTITY IN WHICH INDIVIDUAL DEFENDANTS HAVE OR HAD A CONTROLLING INTEREST ("CURRENT PSI STOCKHOLDERS").

THIS NOTICE IS GIVEN pursuant to an order of the United States District Court for the Northern District of Illinois (the "Court"), to inform you of a proposed stipulated settlement (the "Settlement") in the above-captioned derivative action (the "Action"). The Action involves claims brought derivatively on behalf of PSI, against certain of its current and former directors and officers alleging breaches of fiduciary duty, relating to certain events, public statements, and allegedly improper statements in PSI's press releases and U.S. Securities and Exchange Commission ("SEC") filings. The Action also involves claims for unjust enrichment against certain defendants for the compensation they received during the time they were associated with PSI, waste of corporate assets, and for failure to hold an annual meeting of stockholders.

Defendants, individually and collectively, have denied and continue to deny each and all of the claims and contentions alleged by Plaintiffs in the Action, including all charges of fault, wrongdoing or liability arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged in the Action. Nonetheless, Defendants have agreed to the Settlement on the terms and subject to the conditions in the Stipulation of Settlement dated [*], 2019. Under the terms of the Stipulation of Settlement dated May 7, 2019, 2019 ("Stipulation"), as a part of the proposed Settlement, Defendants shall cause to be paid \$1,875,000 to a settlement fund (the "Settlement Fund"). In addition, PSI has agreed that within thirty (30) days of the issuance of an order approving the settlement of the Action, PSI will adopt certain corporate governance reforms ("Reforms"), which PSI shall maintain for a period of not less than four (4) years or so long as the Company remains a public company. The Parties agree that the initiation, prosecution, and settlement of the Action were material factors in the Reforms. The Parties further agree that the Reforms confer a substantial benefit to PSI as part of the Settlement of the Action.

In light of the substantial benefits conferred upon PSI by Plaintiffs' Counsel's efforts, in connection with a motion for final approval of the Settlement, Plaintiffs' Counsel will request an award of attorneys' fees and expenses of \$937,500 to be paid out of the Settlement Fund (the "Fee and Expense Amount"). As a result, if the Court approves Plaintiffs' Counsel's Fee and Expense Amount, \$937,500 of the Settlement Fund will ultimately be returned to the Company. Additionally, Plaintiffs' Counsel may also apply on behalf of Plaintiffs for an incentive award in the amount of \$2,000 (the "Incentive Amount") in recognition of Plaintiffs' participation and efforts in the prosecution of the Action. The Incentive Amount shall be funded from the Fee and Expense Amount, as approved by the Court.

YOU ARE HEREBY NOTIFIED THAT a hearing (the "Settlement Hearing") will be held on _____, 2019, at _____ m., before the Honorable Thomas M. Durkin, of the United States District Court for the Northern District of Illinois, Everett McKinley Dirksen United States Courthouse, 219 South Dearborn Street Chicago, IL 60604, for

the purpose of determining whether the Settlement should be approved as fair, reasonable, and adequate and whether the Fee and Expense Amount, including the Incentive Amount, should be approved. ***Because this is a stockholder derivative action brought for the benefit of PSI, no individual Current PSI Stockholders has the right to receive any individual compensation as a result of the Settlement.***

The terms and conditions of the proposed Settlement are set forth fully in the Stipulation described above.
